CERTIFICATION
for
FAST, FTSS and FTSAS STAINLESS STEEL
and
FTS/FTSC CARBON STEEL
TAPPING SLEEVES

This is to certify that all style FAST, FTSS, FTSAS, and FTS/FTSC fabricated tapping sleeves comply with of the “American Iron and Steel (AIS)” requirements of P.L. 113-76, Consolidated Appropriations Act, 2014, along with the National Product waiver for Stainless Steel bolts and nuts issued February 18, 2015 designating that these products are made in the USA when ordered with a “-U” suffix.

All tapping sleeves are manufactured in compliance with AWWA Standard C223 and MSS SP-124 latest revision.

The Ford Meter Box Company is registered by Underwriters Laboratories, Inc. to the International Standards Organization for the ISO 9001 or latest revision standard for quality. This is one of the most comprehensive standards within the ISO series, which establishes a model for quality assurance in design/development, production, installation, customer service and satisfaction.
